## EXPERIENCE

**JUL 20 – OCT 20**

### UX/UI Designer

I redesigned the complete user experience and user interface of uduX's music streaming platform. The project began with an in-depth analysis of the product and ended with the addition of new critical functionalities to the service.

*Groove Platforms | Nigeria*

**FEB 19 – JUN 19**

### UX/UI Designer

I collaborated with a multidisciplinary team to come up with innovative mobile solutions for Santander UK, taking part in the development of both low and high fidelity prototypes, user research, and testing. I also designed multiple newsletters and the landing page of one of the projects.
